The Career Center classes cover trade and industry including auto body repair, auto mechanics, and building trades. It also covers electronics which includes electricity, robotics, and power technology. Business is another area at Career Center which includes accounting, data processing, and mall retail. Another area is community service, which includes child care, commercial foods, health occupations, and cosmotology. MARCHING PIRATES OFF BEAT

The 1987-1988 Marching Pirates had a wonderful year. While the majorette twirled her baton, and the drum majors yelled their commands, the Marching Pirates blew their crowd of fans away with popular hit tunes. Some of the feature tunes included "Lean On Me", by Club Nouveau and "Sela", by Lionel Richie. Under the direction of Mr. Glenn Miller, the band showed a lot of pride.

After the marching season, the band slowed down for the concert season. They traveled to Jackson High School on March 19th for Festival.

"Meoww . . ."

Eat your heart out, Mickey!

The second annual Foriegn Language Week was again as expected . A Success, Although the students celebrates all week, the main action took place on Wednesday night, March 9th.

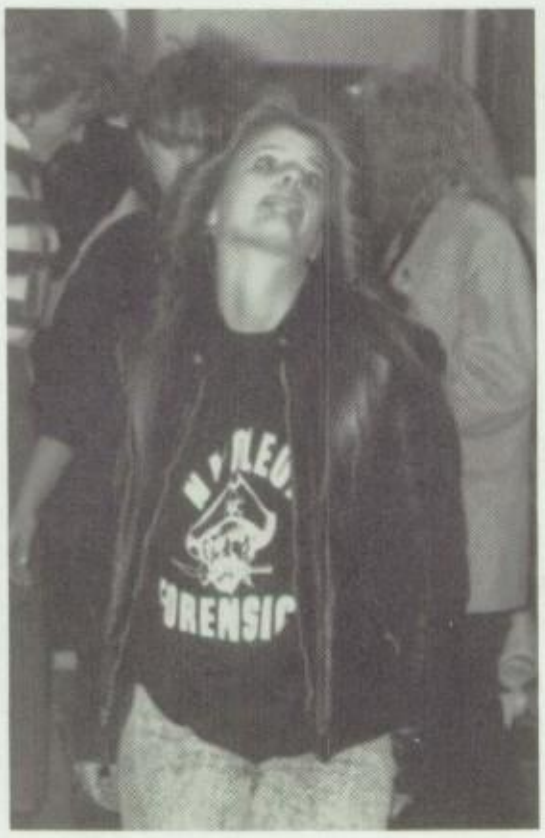
The night started off with the two exchange students telling the audience a little about themselves and their cultures. There were France, Italy, Mexico, and some Oriental foods.

The entertainment of the night included two plays and choirs. The Spanish Class preformed "The Country Mouse and the City Mouse," and the French class played, "Cenderillon." (Cinderella). The Spanish choir gave a lively performance of "La Bamba," and the French Student left a good impression of "Pour Un Instant," with the audience. Later, Pam Clink sang a Spanish folk song, made popular by Linda Ronstadt, "La Cigarra."

Then there was a short slide show of various countries and some of their famous landmarks. Afterward, people sampled more food and tried their luck at the game booths.

The grande finale of the evening was the breaking of the pinatas by all of the children in attendance. Over all, the whole week was a big success and lots of fun.

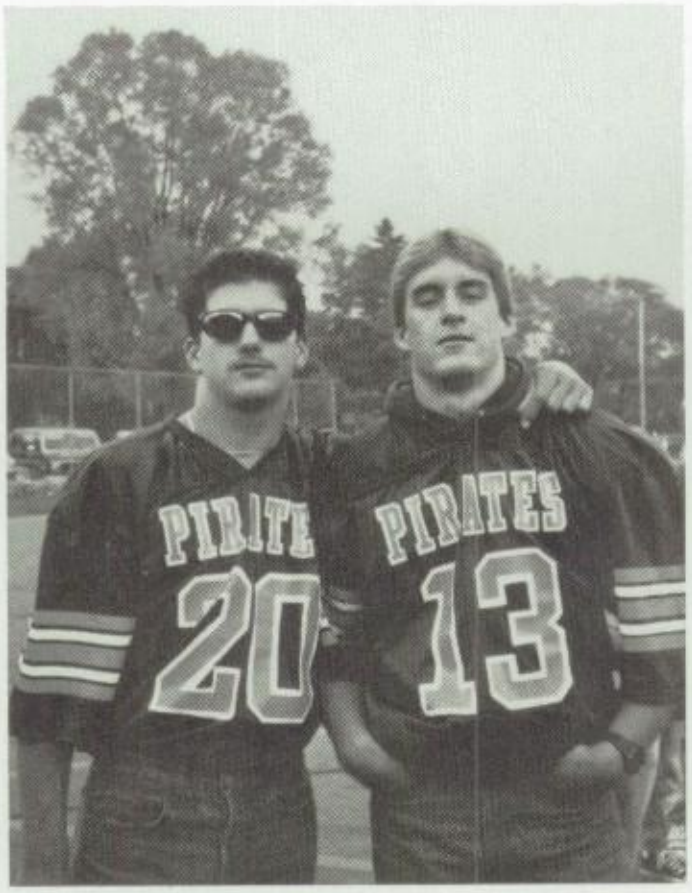
FAST TALKING

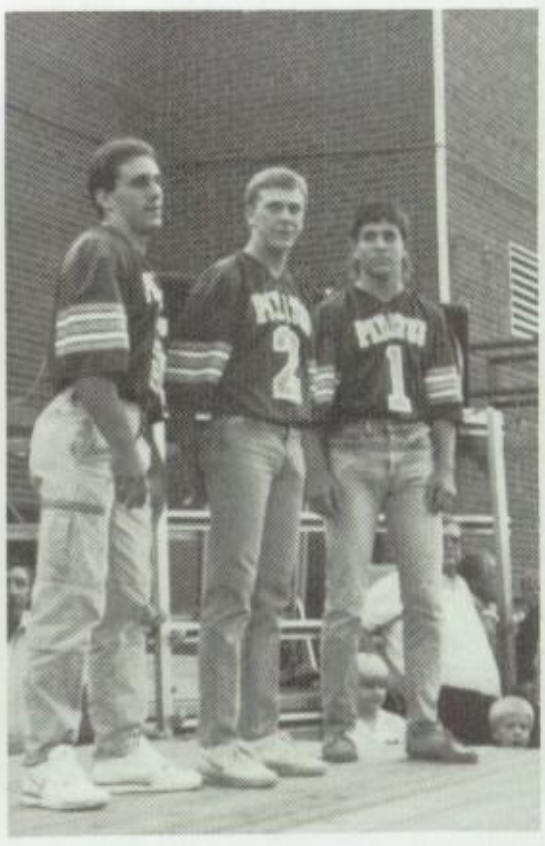


The Forensics team this year was kept alive with the strength and spirit of the Senior team members. Many 2,3,and 4 years. Veterans returned to the team and several new comers also contributed to the success of the team.

Many of the top finishers were Seniors Brian Bethel, Erin Whiteford, Marla Rieli, and Junior Mandy Rivard in all of the tournaments. The great performances by the other team members brought home a second place sweepstales trophy in one tournament amd high finishes in the others. Many team memberers made it to regionals including the four already mentioned plus Barb Berry, Michele Jahnke, Mike Stacey, Tina Vincent, Deb Michlea, Pam Clink, and Nicki VandeWater. Other team members were Angie Schweikert, Shawna Melling, Nikki Lyons, Jody Mugg, Val Johnson, Jennifer Bolling, Krista Ressler, and Dave McMillan.

CHARIOTS OF FIRE





Another football player goes up in smoke as he is burned in effigy at our annual Bonfire. No we're not talking about a real person, we're talking about a stuffed dummy that we dressed up as a rival football-player and throw into a huge bonfire for the community. This bonfire involves a dance, apple pie sale, entertainment and much more.

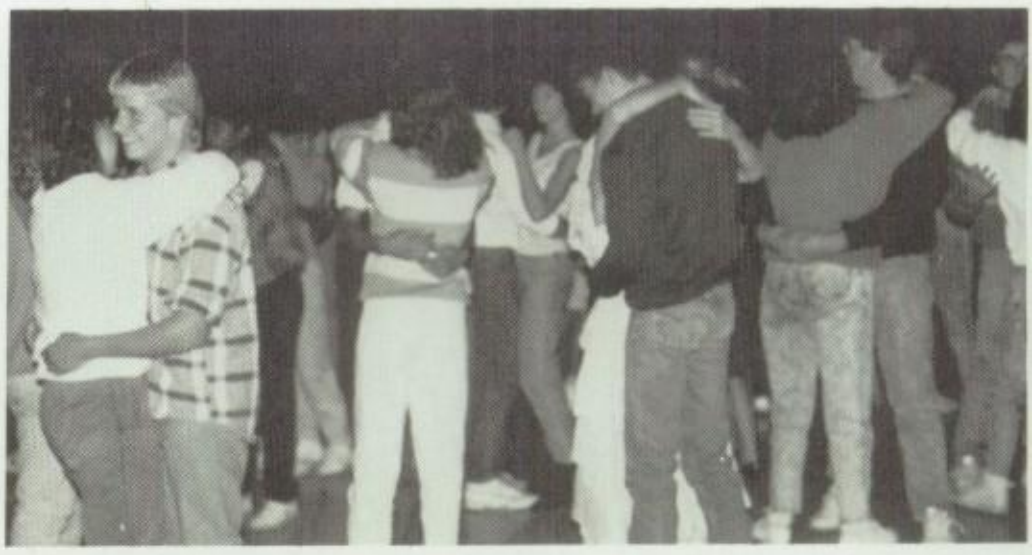
The crowd is at a low rumble as the band plays a slow song and the court walks down the field. First comes the Freshmen, then the Sophomores, and the Junior Prince and Princess and right behind them, the three Senior King and Queen candidates, proudly take a stand. Then there's silence and the announcement comes over the loud speaker.

The Senior winners were Tina Vincent and Bart Childers.

BACK TO THE FUTURE



As the spirit fills the air, so do thoughts of parties, dress-up days and football games. Homecoming day, this past year was on a rainy, chilly October 2nd. After all the hard work the floats survived. And the Homeconing court made it through the wind.

With the Seniors sweeping away the spirit contest and the football team beating Manchester, everyone headed back to the school for the dance, which was a huge victory party.

Overall Homecoming 87 was a huge success.

OUT OF CONTROL

SPIRIT WEEK 1987

Every year it's the same old thing at Homecomming, the floats, dress-up days, and hall decorations. But this year proved to be a change from the normal Homecomming festivities. Themes and ideas were tossed around and something unusal arose. The theme for the floats was time peroids. The different dress-up days were Tie Day, 60's Day, Career Day, Beach Bum Day, and of course Green, White, and Gold Day. The halls were exceptionally well decorated. The floats were constructed with care and even the dress-up days were creative. As it seems to be with most years the spirit winners were the Seniors.

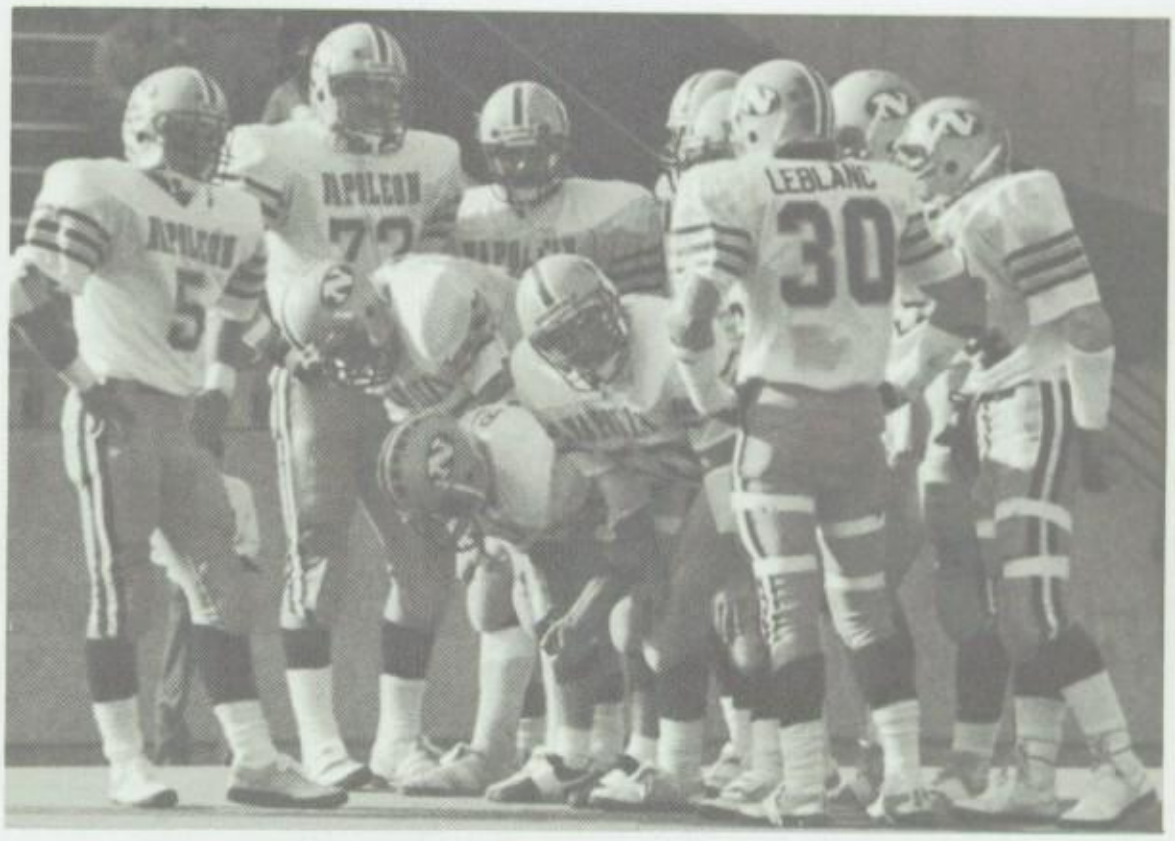
DEFENSE

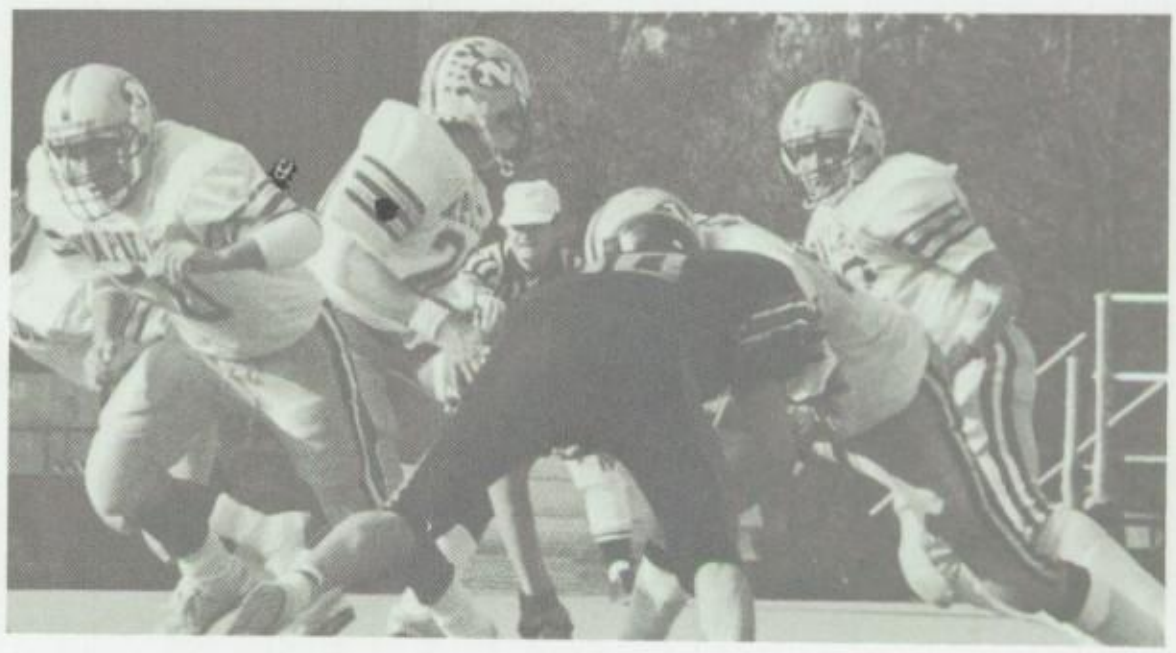


This years Pirate football team was assisted by Bob McComb and Joe Messerly. The Pirates' team captains were Seniors [Scott Niedzwiecki], [Lanny Green], and [Greg Kughn].

Although the Pirates started out the season with two losses to Onsted and Michigan Center, they ended the season with six wins and four defeats. The highlight of the season was when they defeated Jonesville with a score of 34-0 in the Big Eight Playoffs at Hillsdale college.

The 1987 Playoff scene was one of the most outstanding in Michigan history.

After the win against Jonesville, the team ended up being fifth in playoff points to make the state playoffs your team has to be fourth in your region. Then on Wednesday Coach Baxter received a call from the M.H.S.A.A. saying the team made the state playoffs because Cassapolis had been disqualified. This is the first time that Napoleon has ever made the football state playoffs. This gave the team until Friday to prepare against Lansing Catholic Central. The teams playoff hopes were shattered by a loss. But even though this was the end of their season they knew it would never be forgotten.



Mr. Don Baxter is a native of Wasson, Ohio. This was his first year as Head Football Coach at Napoleon. He is a graduate of Anthony Wayne High School. After high school he attended Adrian College where he participated in football and baseball. He graduated with a degree in education.

LA BAMBA

This past year, we were fortunate enough to have two young gentlemen to attend our school for a short time. The first, Daniel Roose of Lima, Peru, arrived here in mid-January through the International Lions Club exchange program. He was here for a couple months on his summer vacation from his home country. He made many friends and enjoyed his stay here.

Stefan Thal is our other exchange student. He's from Breman, Germany and graduated with the Senior Class. He arrived in mid-winter and automatically made friends. He left the states June 22nd.

Napoleon football coach Don Baxter spent a harried day Wednesday.

"I talked to Don 30 seconds in the afternoon," said Baxter's wife, Ann, "and he was dissheveled — absolutely thrilled and shocked."

Why? For the second time this week, a team that thought it had made the Michigan High School Athletic Association playoffs has been bumped from the 64-team field. But this time, an ineligible player — not a computer — was responsible.

Cassopolis, which finished second in Class C's Region 1 and was to host Stockbridge Saturday afternoon, has forfeited five games because of an ineligible player. Napoleon (6-3) takes Cassopolis' place.

In Region 1's revised pairings, Napoleon will play Lansing Catholic Central (8-1) at Lansing Everett at 7:30 p.m. Friday, and Vermontville Maple Valley (7-2) will play at Stockbridge (8-1) at 1:30 p.m. Saturday.

Cassopolis coach Larry VanderHeyden said senior James Green, a fullback and defensive end, was ineligible because of a "misunderstanding."

To be eligible for extra-curricular activities at Cassopolis, a student must collect credit hours for five classes during the semester. Green was attending three classes at the school and was enrolled in a school co-op program that permits two class credit hours for work in the field. VanderHeyden said Green thought he could obtain the two hours of field credit by working on his father's farm during the fall.

When the Cassopolis co-op sponsor and the guidance counselor received a report this week of the student's prog-

reas, they informed VanderHe that Green's father didn't qualify the co-op program.

"We were on the field Wedn afternoon practicing for our pl game when I heard," VanderHe said. "I immediately notified at director Bob Follett, and he calle state high school athletic associ with the information.

"They told us we would ha forfeit our last five games. I met the team — 32 kids — and told we were out of the state playof ture. It was a tough thing. They t pretty hard.

"We could have rectified the s situation earlier. Green was supp to attend two classes in the program. We could have discov the error at the classes. But J didn't attend. It was just a big mi derstanding."

At Napoleon, Baxter started w ing on a season he thought had en

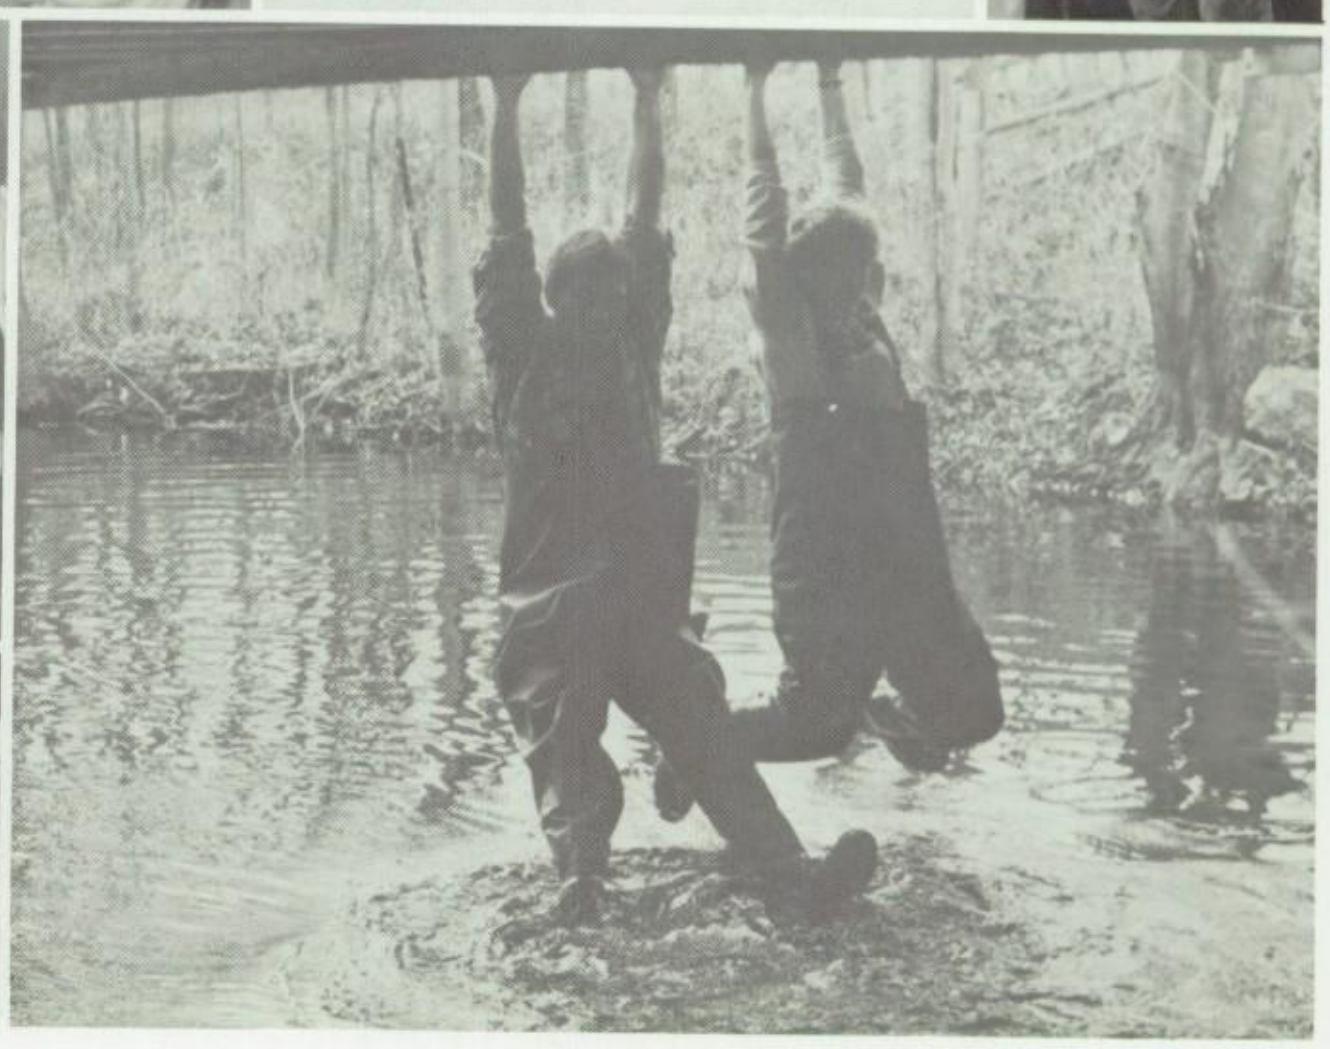
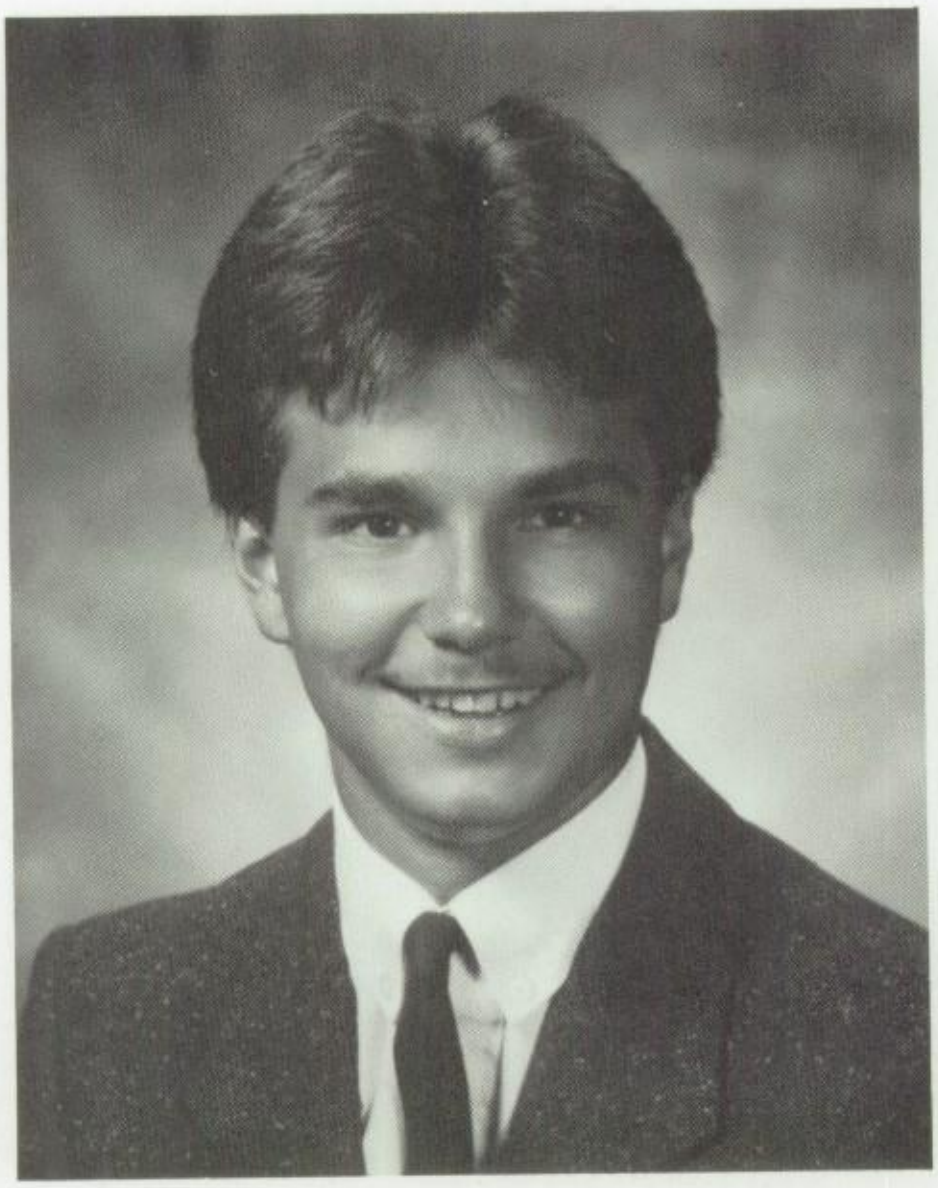
NAPOLEON
STAFF



1988 YEARBOOK EDITORS



As editors of the 1988 Buccaneer, we feel we have put forth the best possible effort to bring to Napoleon High School one of the best yearbooks ever. It is a years worth of dedication, high pressure, and back-breaking extra hours to make this book possible. We would like to thank our advisor, Miss Bigger, the high school office especially Mrs. Franzen and Mrs. Thayer, and of course the yearbook staff, for without the cooperation of these outstanding people this book would not be possible. Best wishes to everyone in the future.
